The George Sharp Assembly

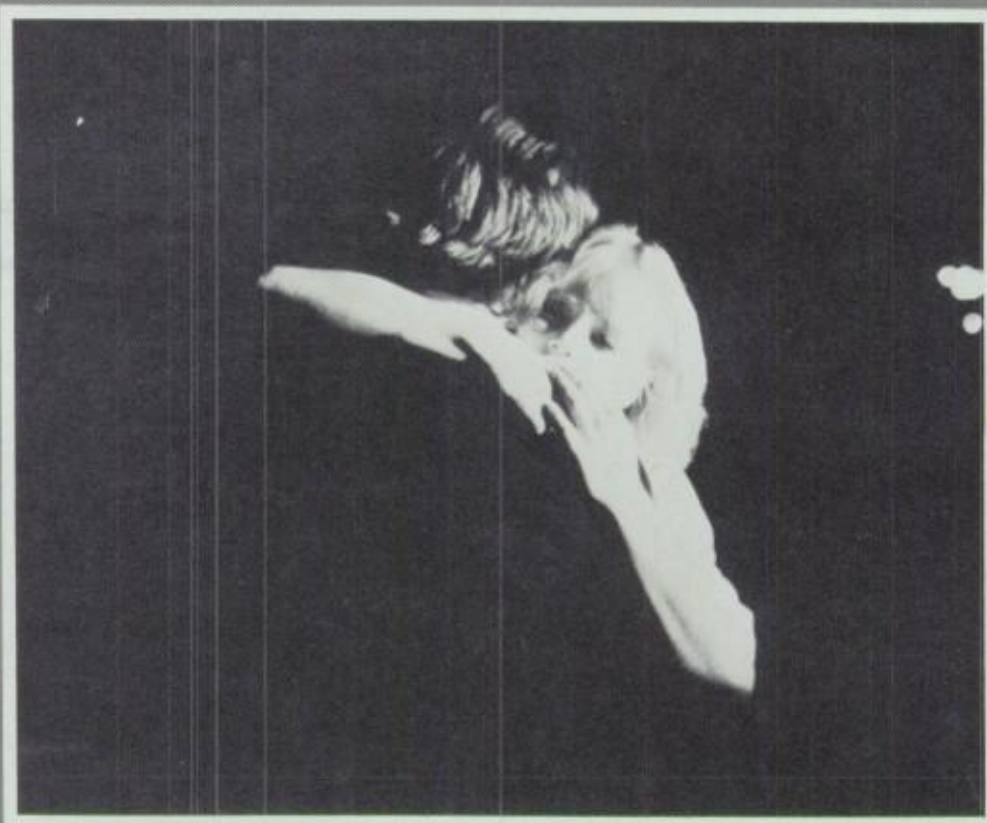

A number of students at YV got their courage up and volunteered themselves to be put under hypnosis. The assembly was given and performed by George Sharp. Through power of suggestion the participants did just about anything.

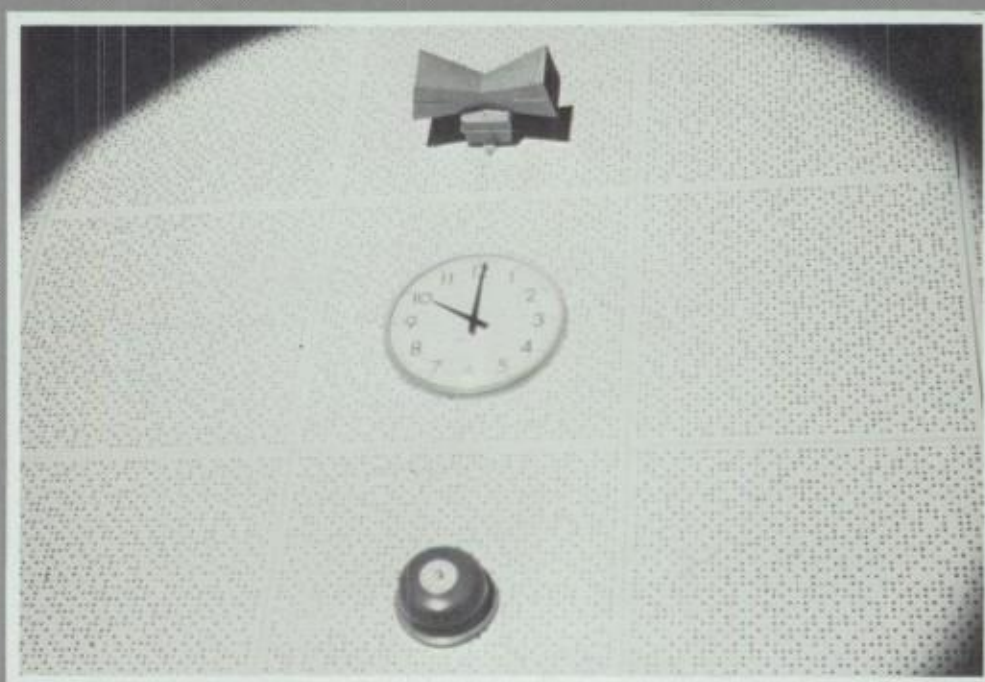

Dance Marathon

Senior Service in association with the Senior class held a twelve hour dance marathon on Friday, November 10, 1978. The dancing took place in Y.V.'s gym and consisted of fifty-one dedicated participants. The \$1,980 in proceeds made by the marathon went to both Senior Service and the Senior class; with two \$100 prizes going to Charlene Rollins and Tony Massey for getting the most sponsors. The marathon was an experience to remember. But when 10pm arrived a sigh of relief was heard by all.

THE SENIOR PICNIC

1

2

3

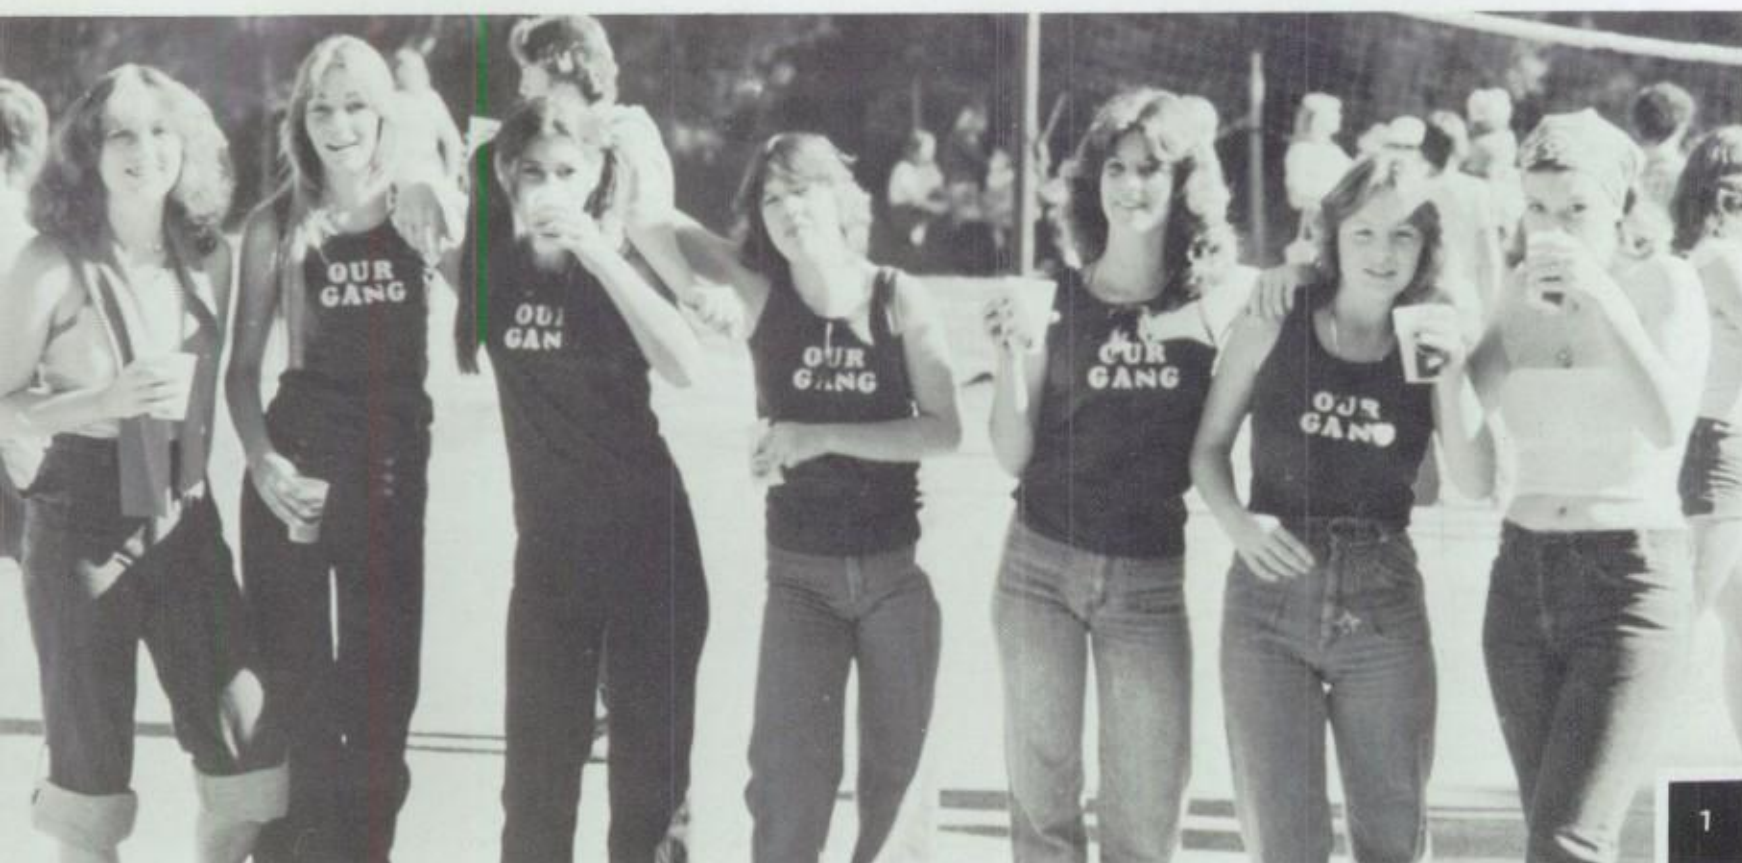

4

This year's Senior Picnic turned out to be an exciting one. It took place at Little Hills Ranch, starting out with many sports and games, which included frisbee, football, volleyball, girlwatching and "Throw Sheppard in the Pool." The day was perfect for everyone and seemed to end too soon, but there are many fond memories for the Senior Class of '79.

1. On your mark ... Get set ... GO!!!
2. What is going on over there?
3. Dancing on Earth!!!
4. Bump, Set, PUSH!
5. Picnic is really COOKIN'!

5

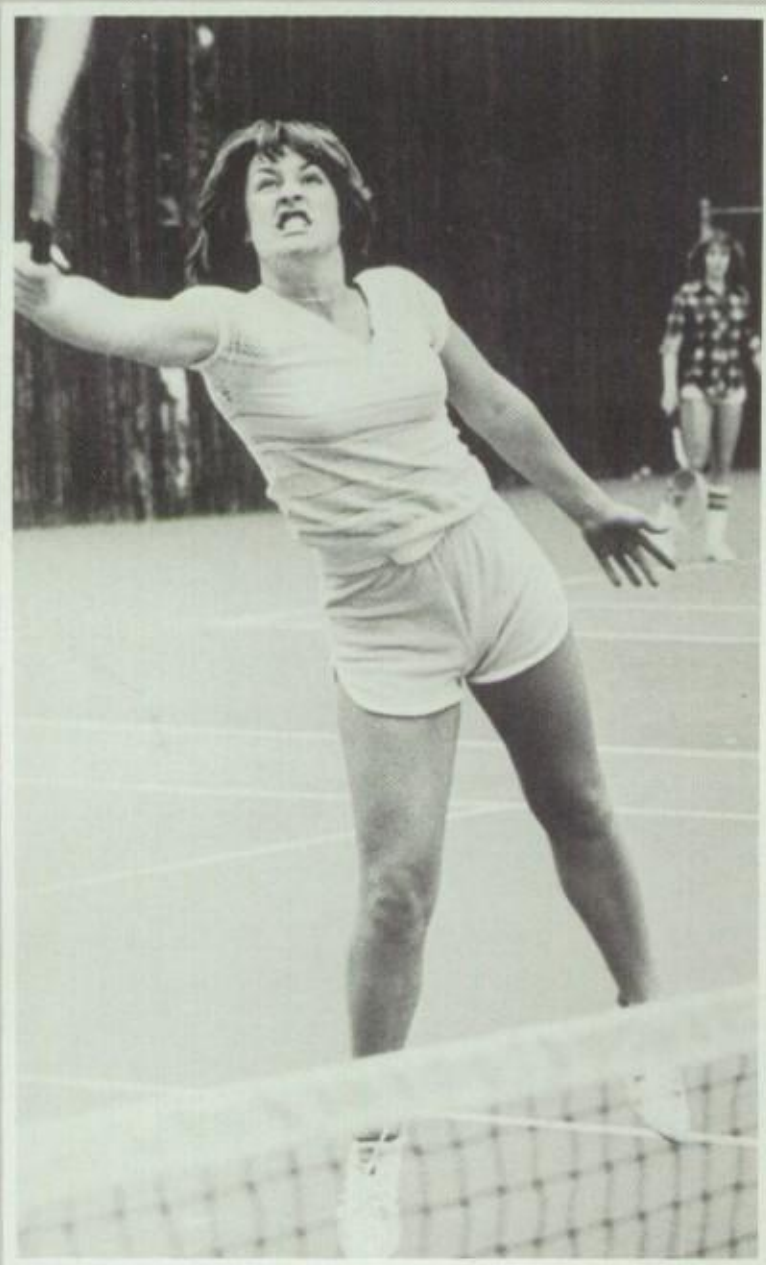

1. "Our Gang" with two new additions.
2. All together now.
3. Hang on to your hat, Cowboy!
4. Sprinting for the finish line.

SENIORS DO IT WITH . . .

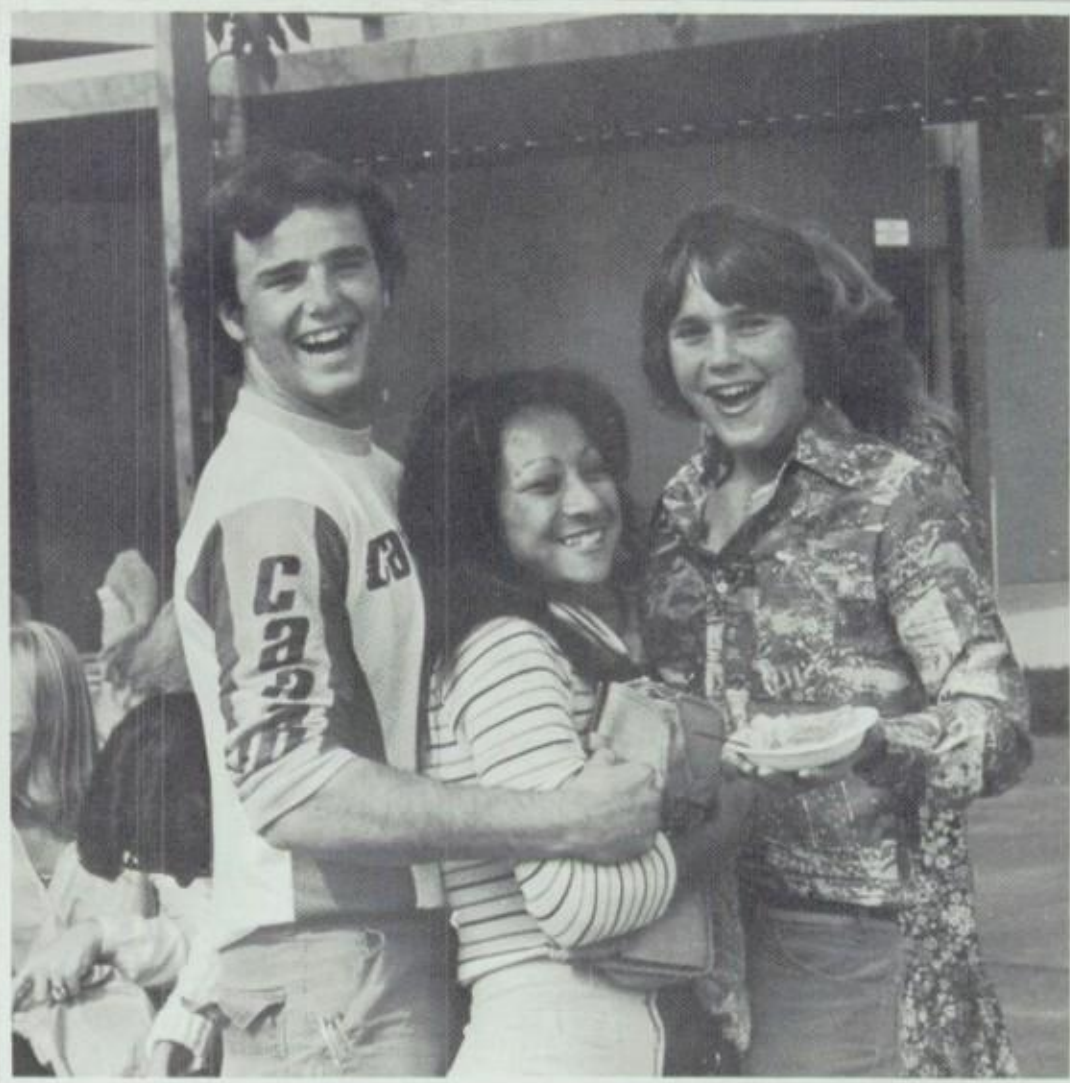

ENERGY . . .

EXCELLENCE

AND
STYLE

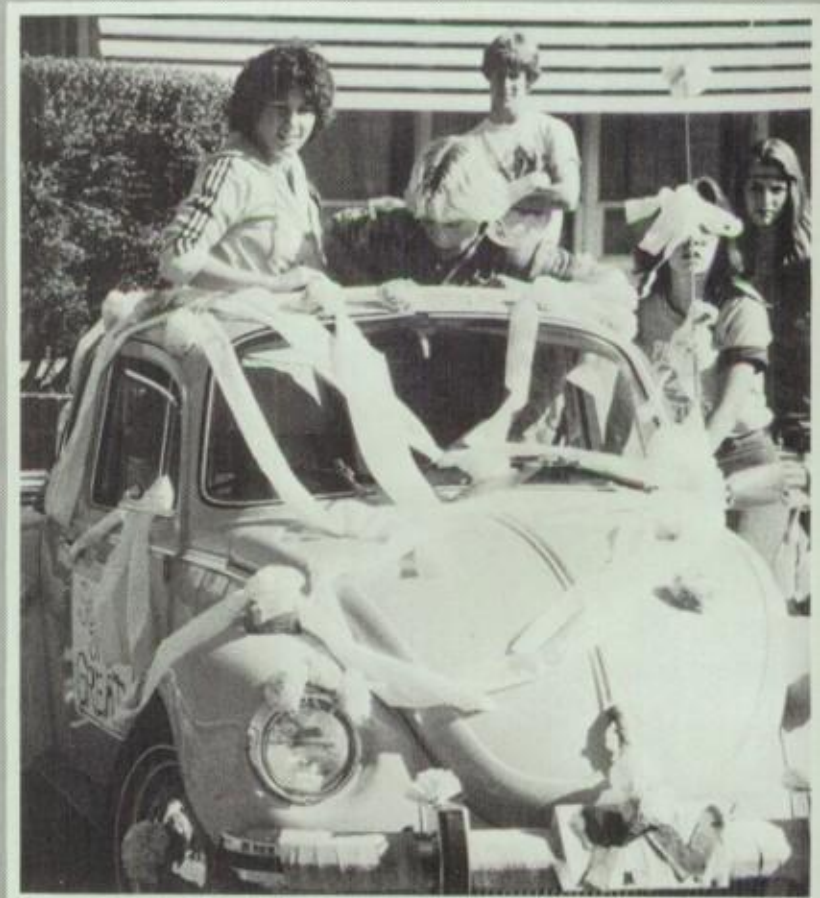

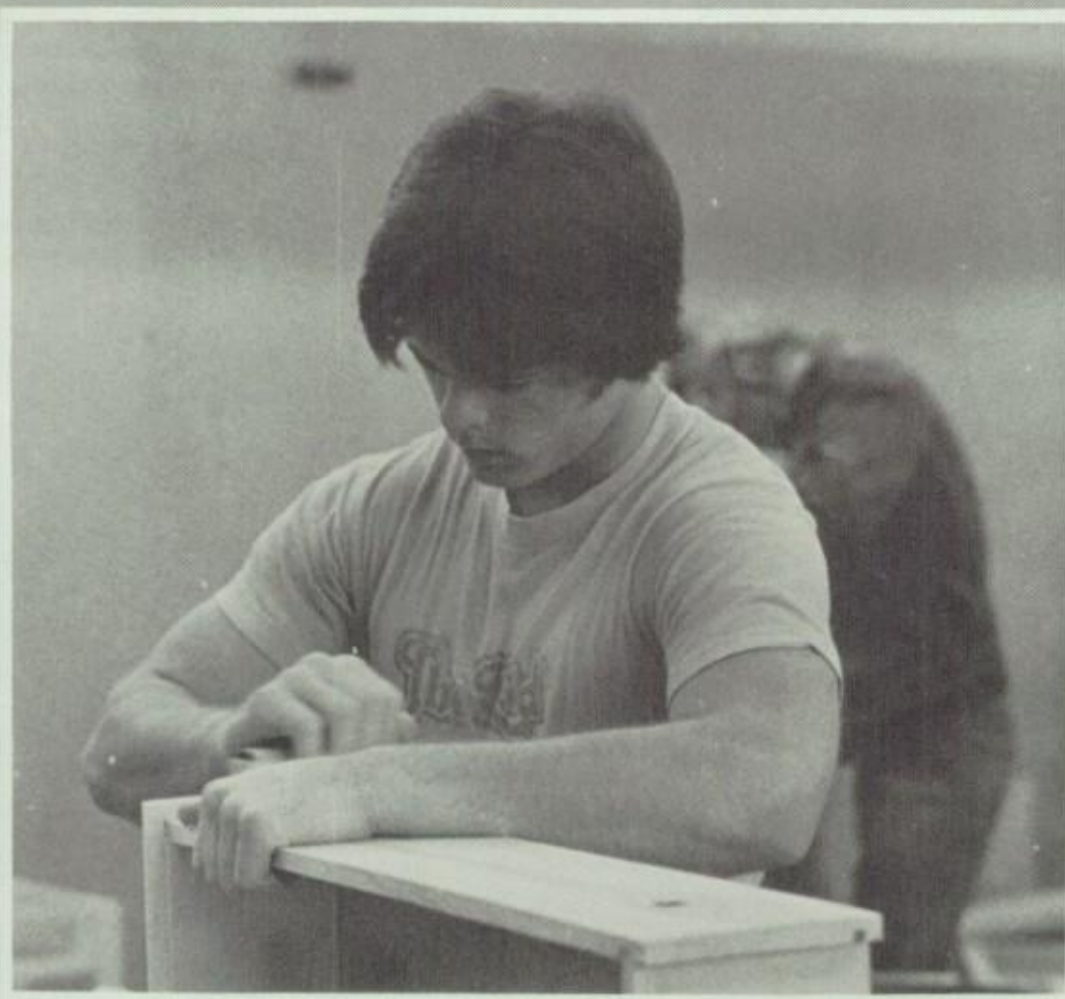

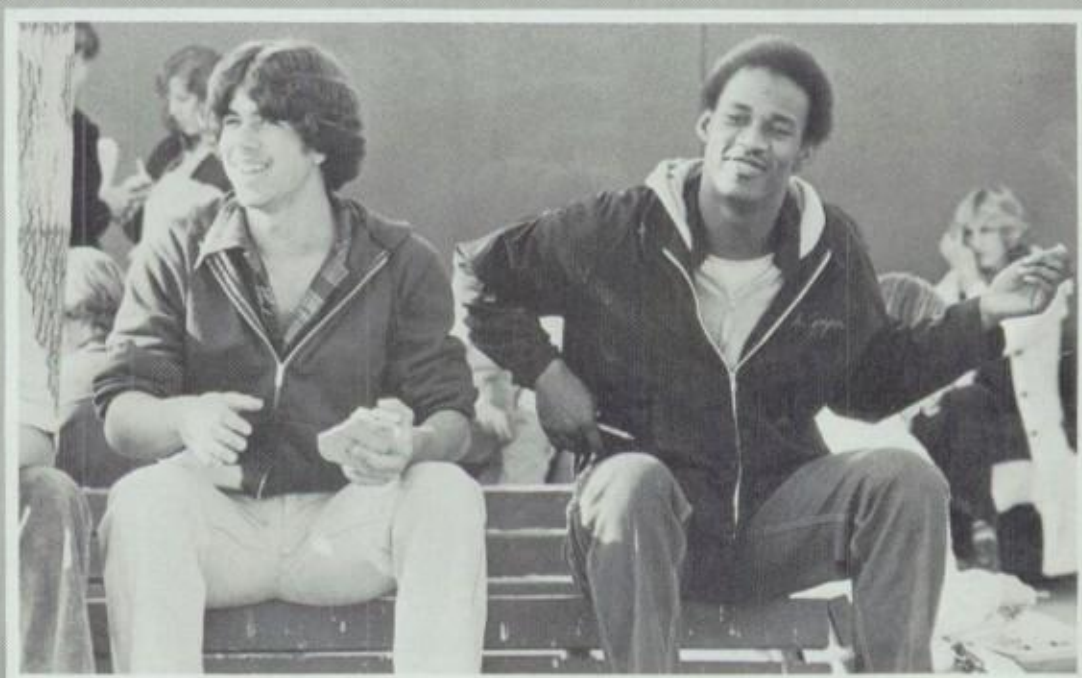

Friday morning, December 15th, 270 seniors showed up at the Pleasant Hill Rec. Center for the Senior Breakfast. After being served by the teachers we were entertained by the senior Madrigals and a surprise performance by Dr. Wutzke, Mr. Jordan, and Mr. Groobin singing Jingle Bells. After a good meal and a lot of laughs we watched a movie of the Senior Picnic. The Senior Breakfast was a fun time to be remembered by all that attended.

Senior's Tree

Every act of kindness
is a little bit of love
we leave behind
every summer sun
that has passed our way
serves to light every day ...
so when we have gone
what we do lives on
you know
every act of kindness
is a little bit of love
we leave behind.

—Paul Williams

Hs. Lordship's, on the Berkeley Marina, was the setting for the 1979 Senior Banquet on March 9th. There was good food, good music, and a lot of fun for all.

Your life lies
as a panorama
unfolding before you.

Ahead there are mountains and valleys—
deserts, oceans, meadows.
And the roads—the choices,
are many;
and their ends—their results,
are often distant and varied.

There might come happiness or sorrow;
mere contentment or total fulfillment;
pacifity, involvement,
exultation or regret.

But always,
until one has reached the height
of his aspirations
there must be change.

Choose your roads carefully.
Be cautious, analytical;
and free, and flexible
within yourself.
Try to anticipate all that might lie ahead.
And if your choice ever happens to lead
to something less than what was expected
feel not too discouraged,
remorseful or defeated.
Leave it and choose another.
For through experience
one's knowledge does usually broaden;
and often,
the second road is far more promising
than could have been the first.

Maintain hope, confidence, and resolution.
And remember always;
that he who stays within a desert
when he yearns for the sea
grows gradually deeper
in frustration and regret,
and in the end perishes—
having hardly lived at all.

SPECIAL THANKS TO:

Guy Bjerke
Michelle Malone
Tom Palmer
Bill Stephenson

We had a fresh start this year, a new advisor, Bob Sillonis, and a new staff. We learned the hard way. We found writing is by far not the biggest effort needed for an issue of our Smoke Signal. We needed dedication and true caring. We lacked this in some areas, but I am certain we all grew in our pride for a good edition.

I am happy to say our paper shows many different journalistic talents. This combination has proven a success, but I do not say it is perfect.

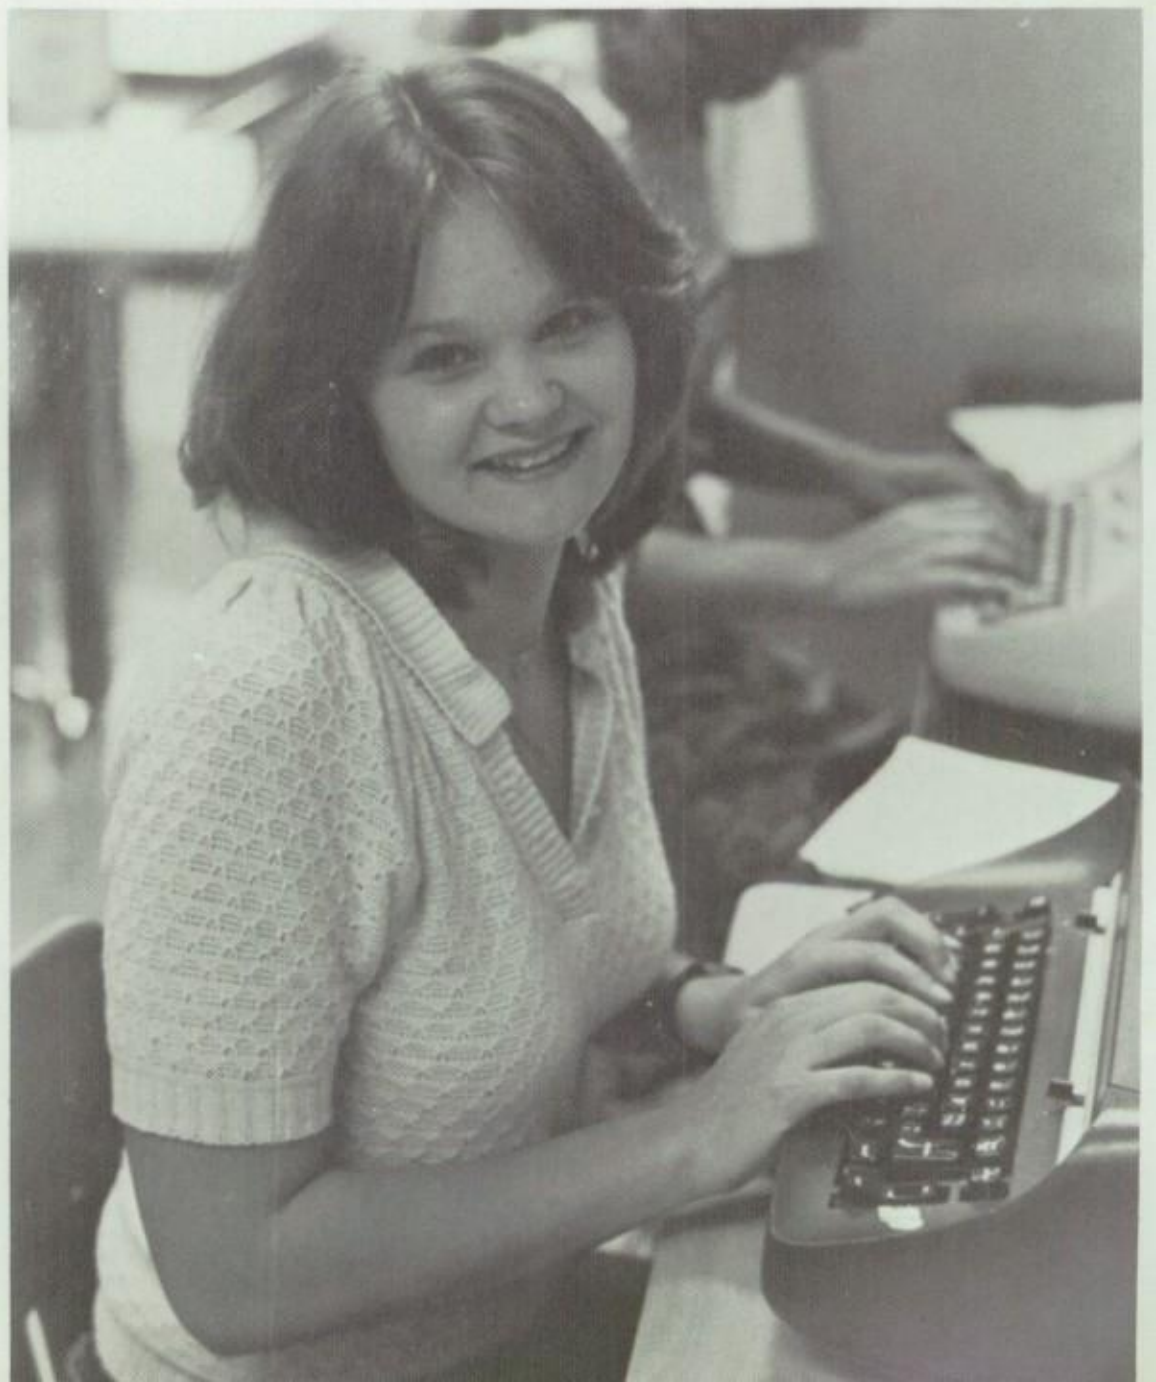

I would like to say thanks to all the staff members who put in their spare time. And special thanks to Daric Wolkenhauer, for all the years of learning he gave us and to Bob Sillonis, for being our new advisor and friend.

This year has not been easy. It has been a learning experience, one I know none of us will ever forget.

TEACHERS OF THE YEAR

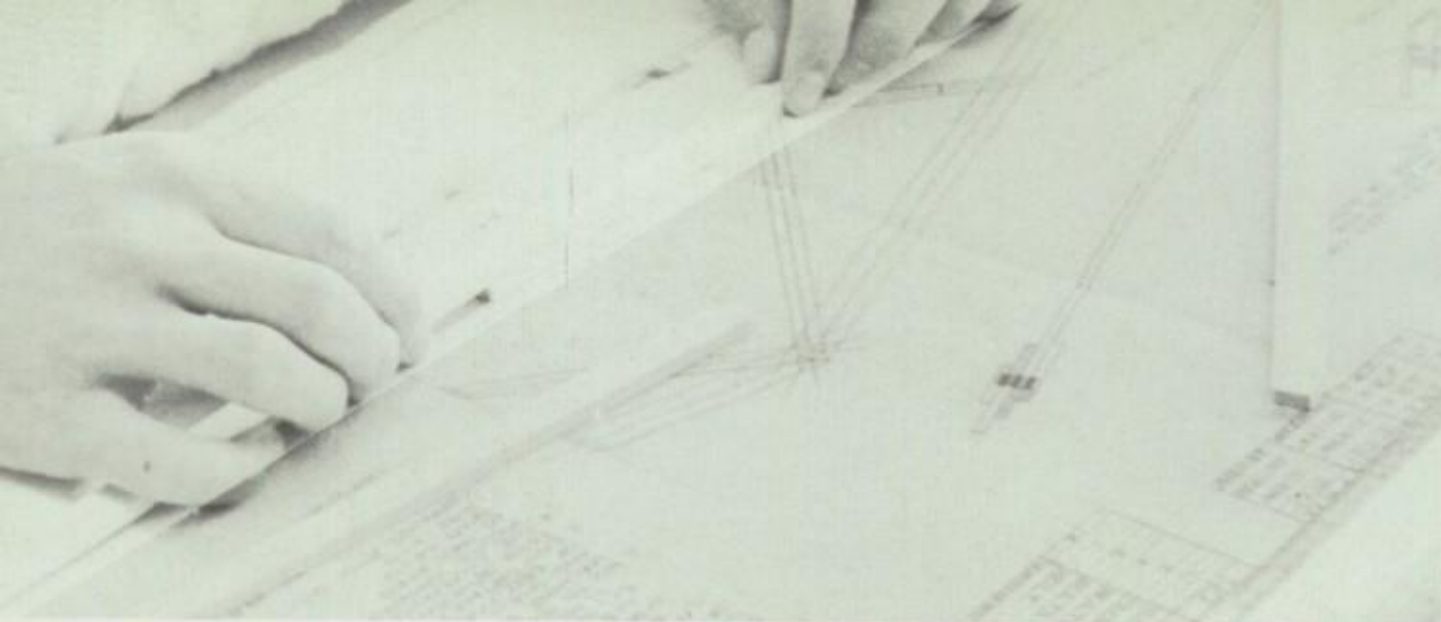

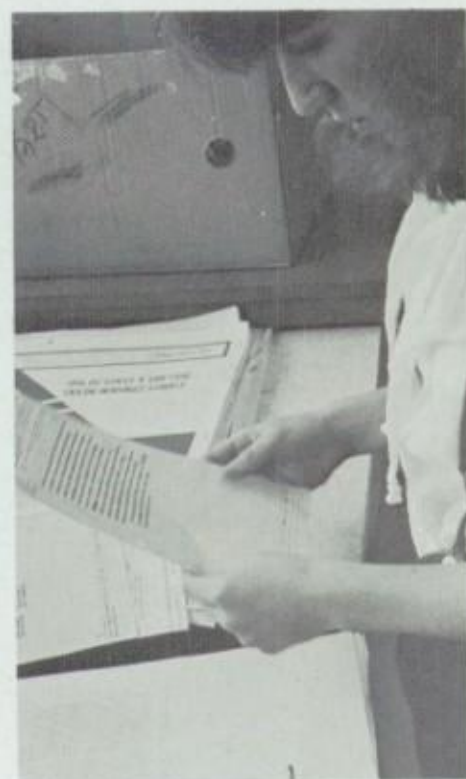

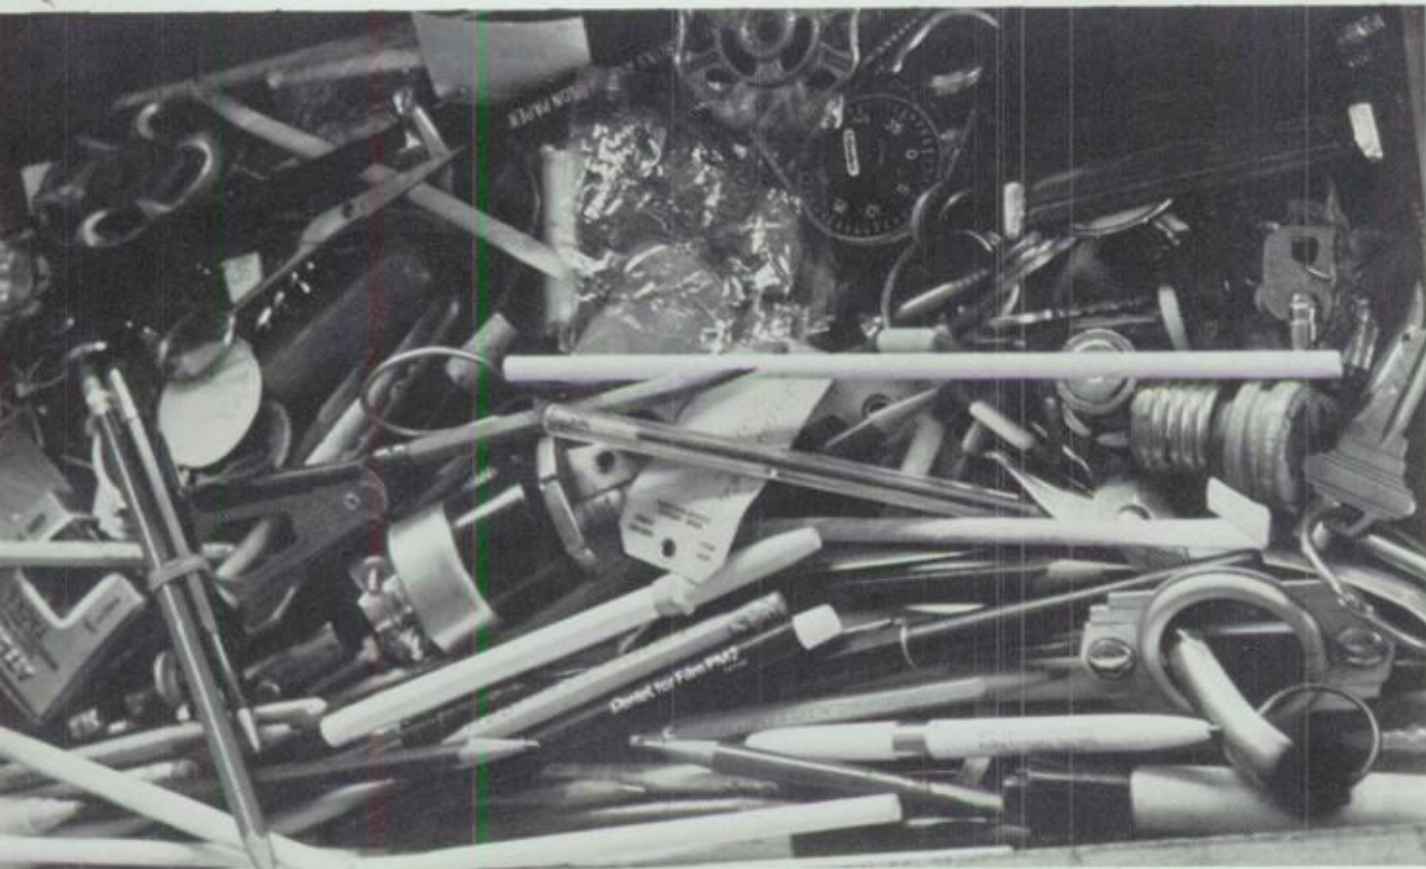

Claire McKenna-Vice-Principal and Counselor

The Senior class of 1979 wishes to specially thank Les Groobin, Claire McKenna, and Betty Censoplano for their extra time, support, and love they have given us through our four years at Ygnacio. Their constant guidance, enthusiasm and smiles have made our days more enjoyable. We'd like to say thanks by honoring them as our 1979 Teachers of the Year.

Betty Censoplano- Treasurer

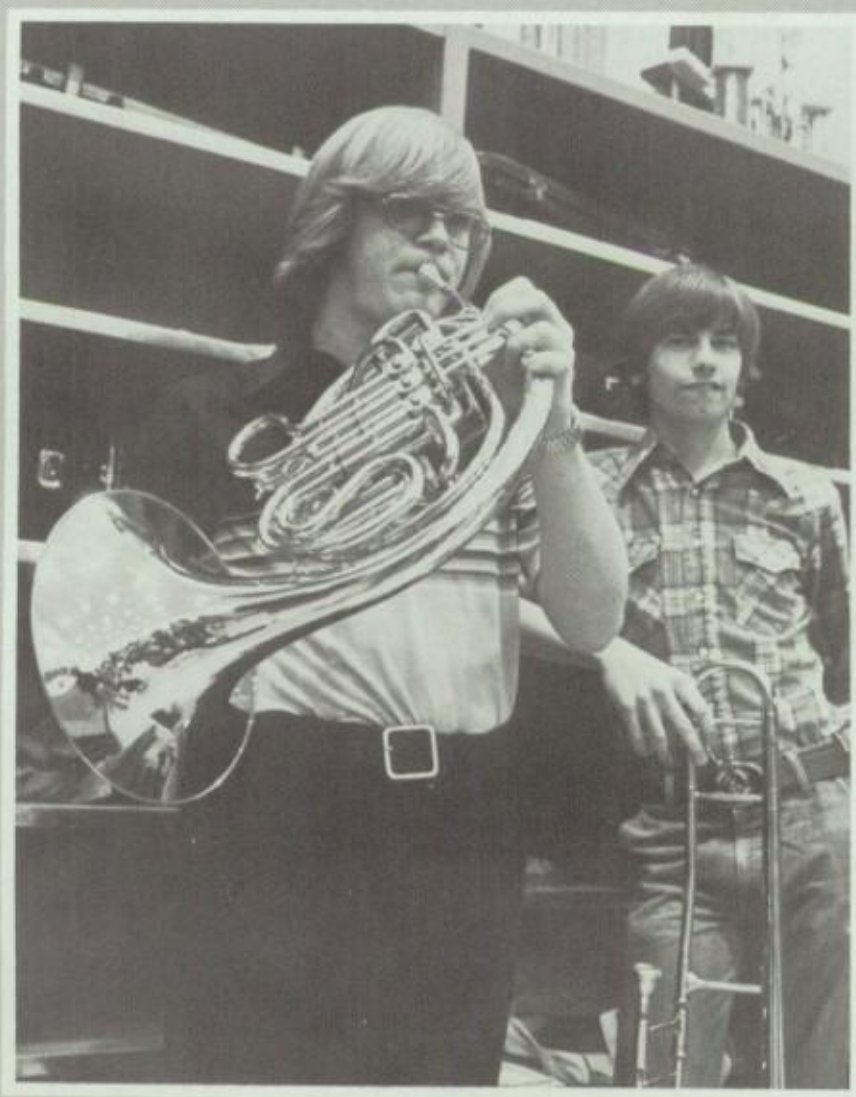

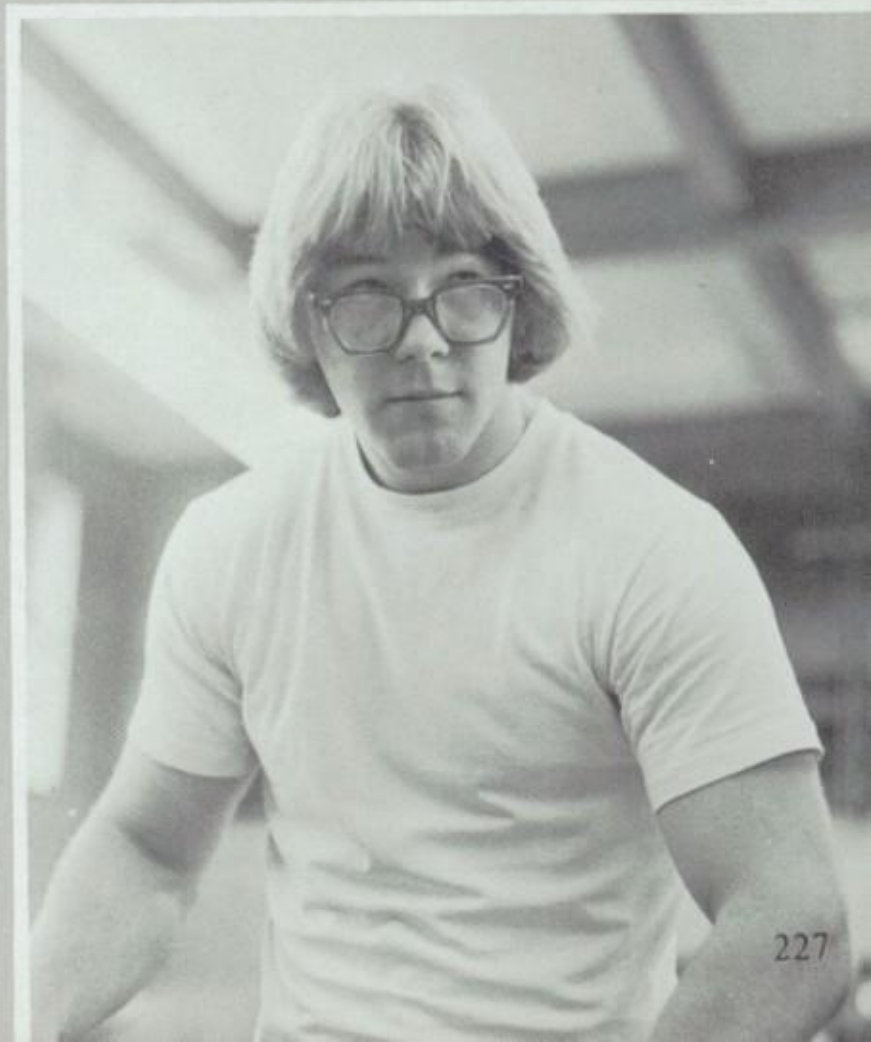

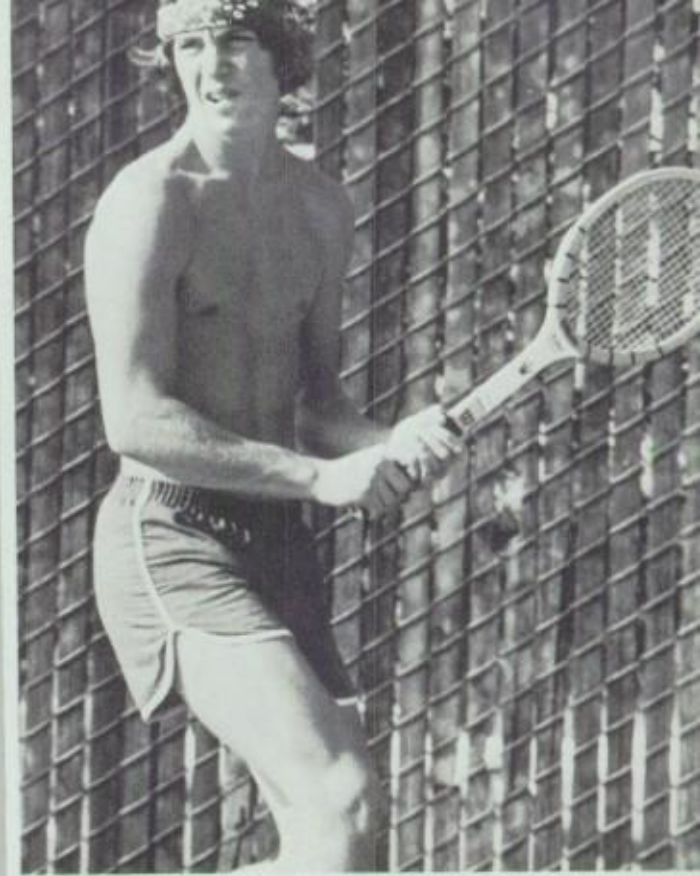

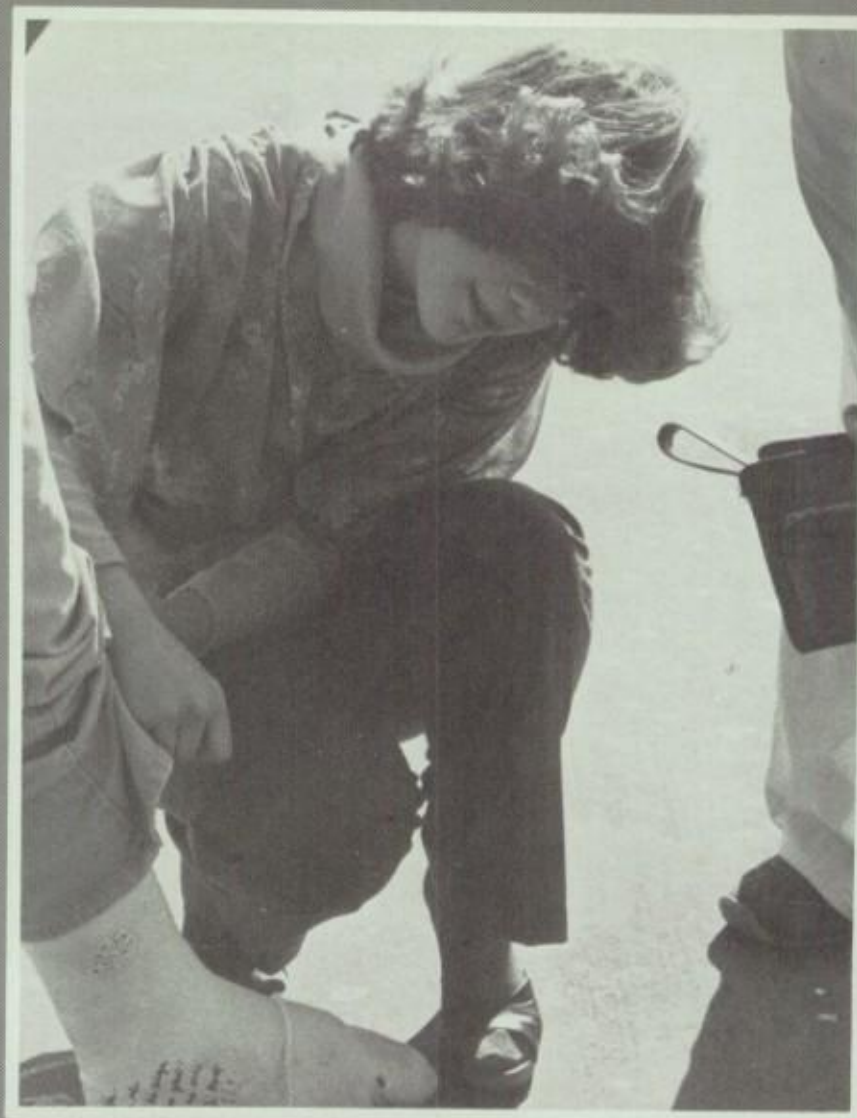

Ygnacio Field Trip

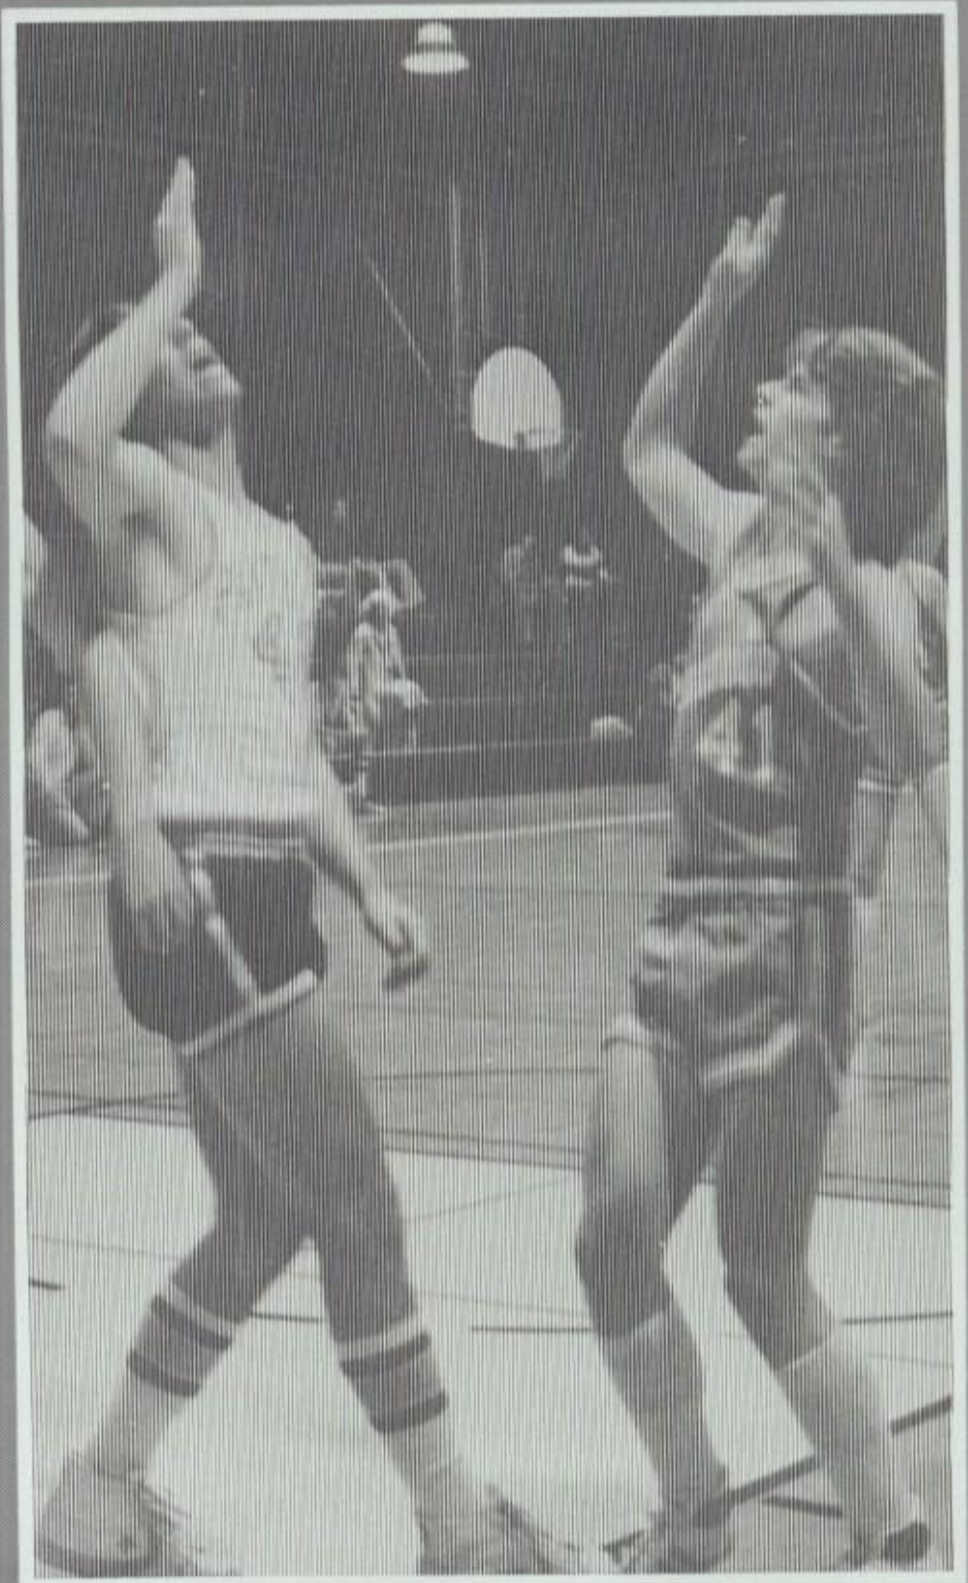

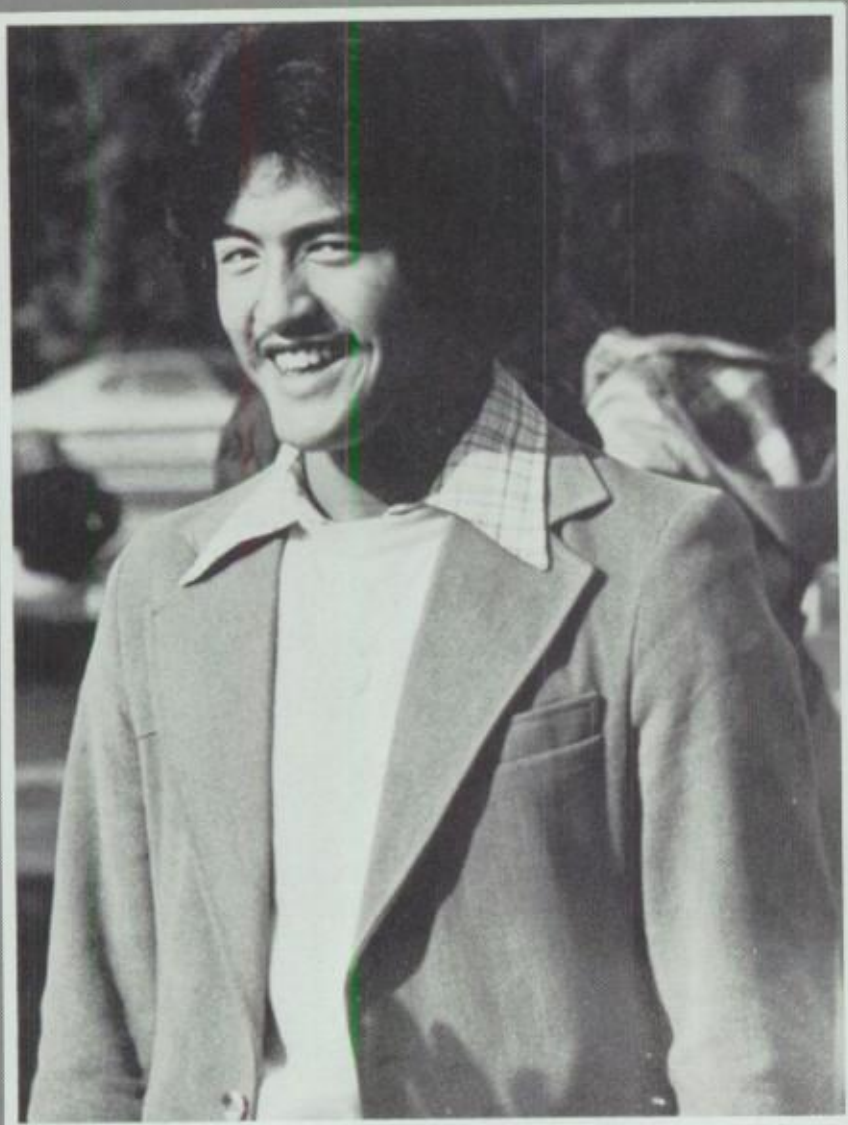

"To be truly alive
one needs discipline, artistry,
and a little bit of foolishness."

Real friends are those who,
when you've made a fool of yourself,
don't feel that you've done a permanent job.

—Erwin T. Randall—

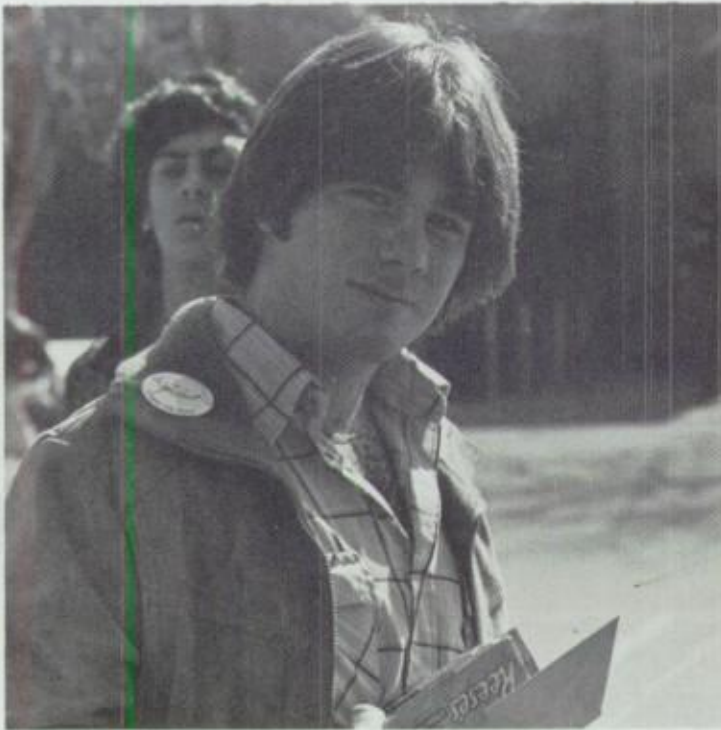

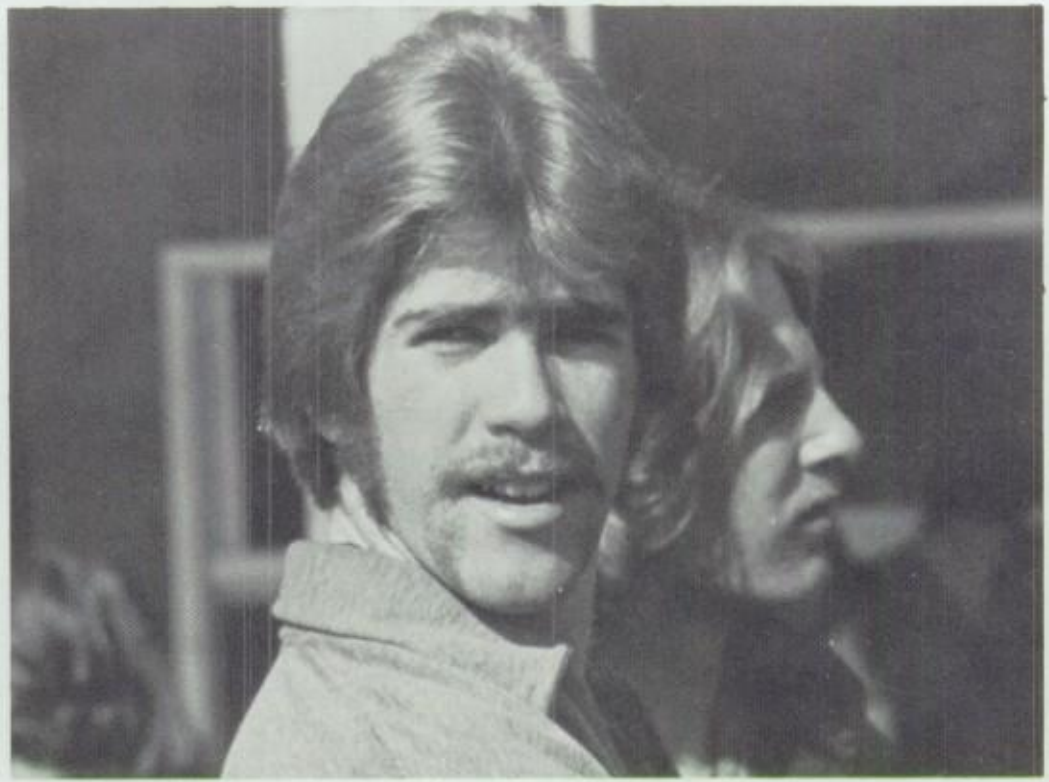

Dancing to the music

For mem'ry has painted this perfect day
With colors that never fade,
And we find at the end of a perfect day
The soul of a friend we've made.

-Carrle Jacobs Bond

What sunshine is
to flowers,
Smiles are
to friends.
